*Early Bird Rate

The LOA (length over all) is used to determine the maximum size boat that will be allowed in a slip. This includes anchors, bow pulpits, swim platforms, stern drives, outboards that are trimmed down, and anything else that will increase the LOA. It is the owner's responsibility to verify ahead of time that the vessel meets the criteria, and it will be confirmed by our staff after arrival.

All boaters who submit a Renewal Application for their slips from the prior season are required to occupy the slip with an appropriately sized (LOA) and permitted vessel by June 15. If the resident does not occupy the slip by June 15 the slip will be forfeited with no refund as per the Town of Greenwich Code of Ordinances Section 7-87.
